**Subject:** Objection to Rezoning of Lands at Prehen House.  
**Importance:** High

I wish to register my concern and objection to the rezoning of lands for housing by the City of Derry Golf Club in the review of the Area Development Plan at the historic A1 listed Knox Family Prehen House and woodlands. Such development would have a devastating effect on the biodiversity of the area and would also contravene Derry City and Strabane District Councils` s "Right of Nature" and Green Infrastructure Plan. Yours Faithfully, Damian Martin.
