

LOCAL DEVELOPMENT PLAN 2032
LANDS AT ALDER ROAD DERRY
REPRESENTATION ON BEHALF OF

Reviewing the current proposals for housing development it is obvious that the bulk of housing proposed is contained within large conglomerates situated on Bunrana Road and Clooney Road. These large developments do not offer attractive wide ranging types of housing which will give a positive and diverse housing style which give long term sustainability and variety.

We already see the evidence of large estates with nondescript housing.

Since the very large number of houses—10,000—is suggested it would be wrong to allow these nondescript (over) developments in various parts of the city to be the model for housing going into the future.

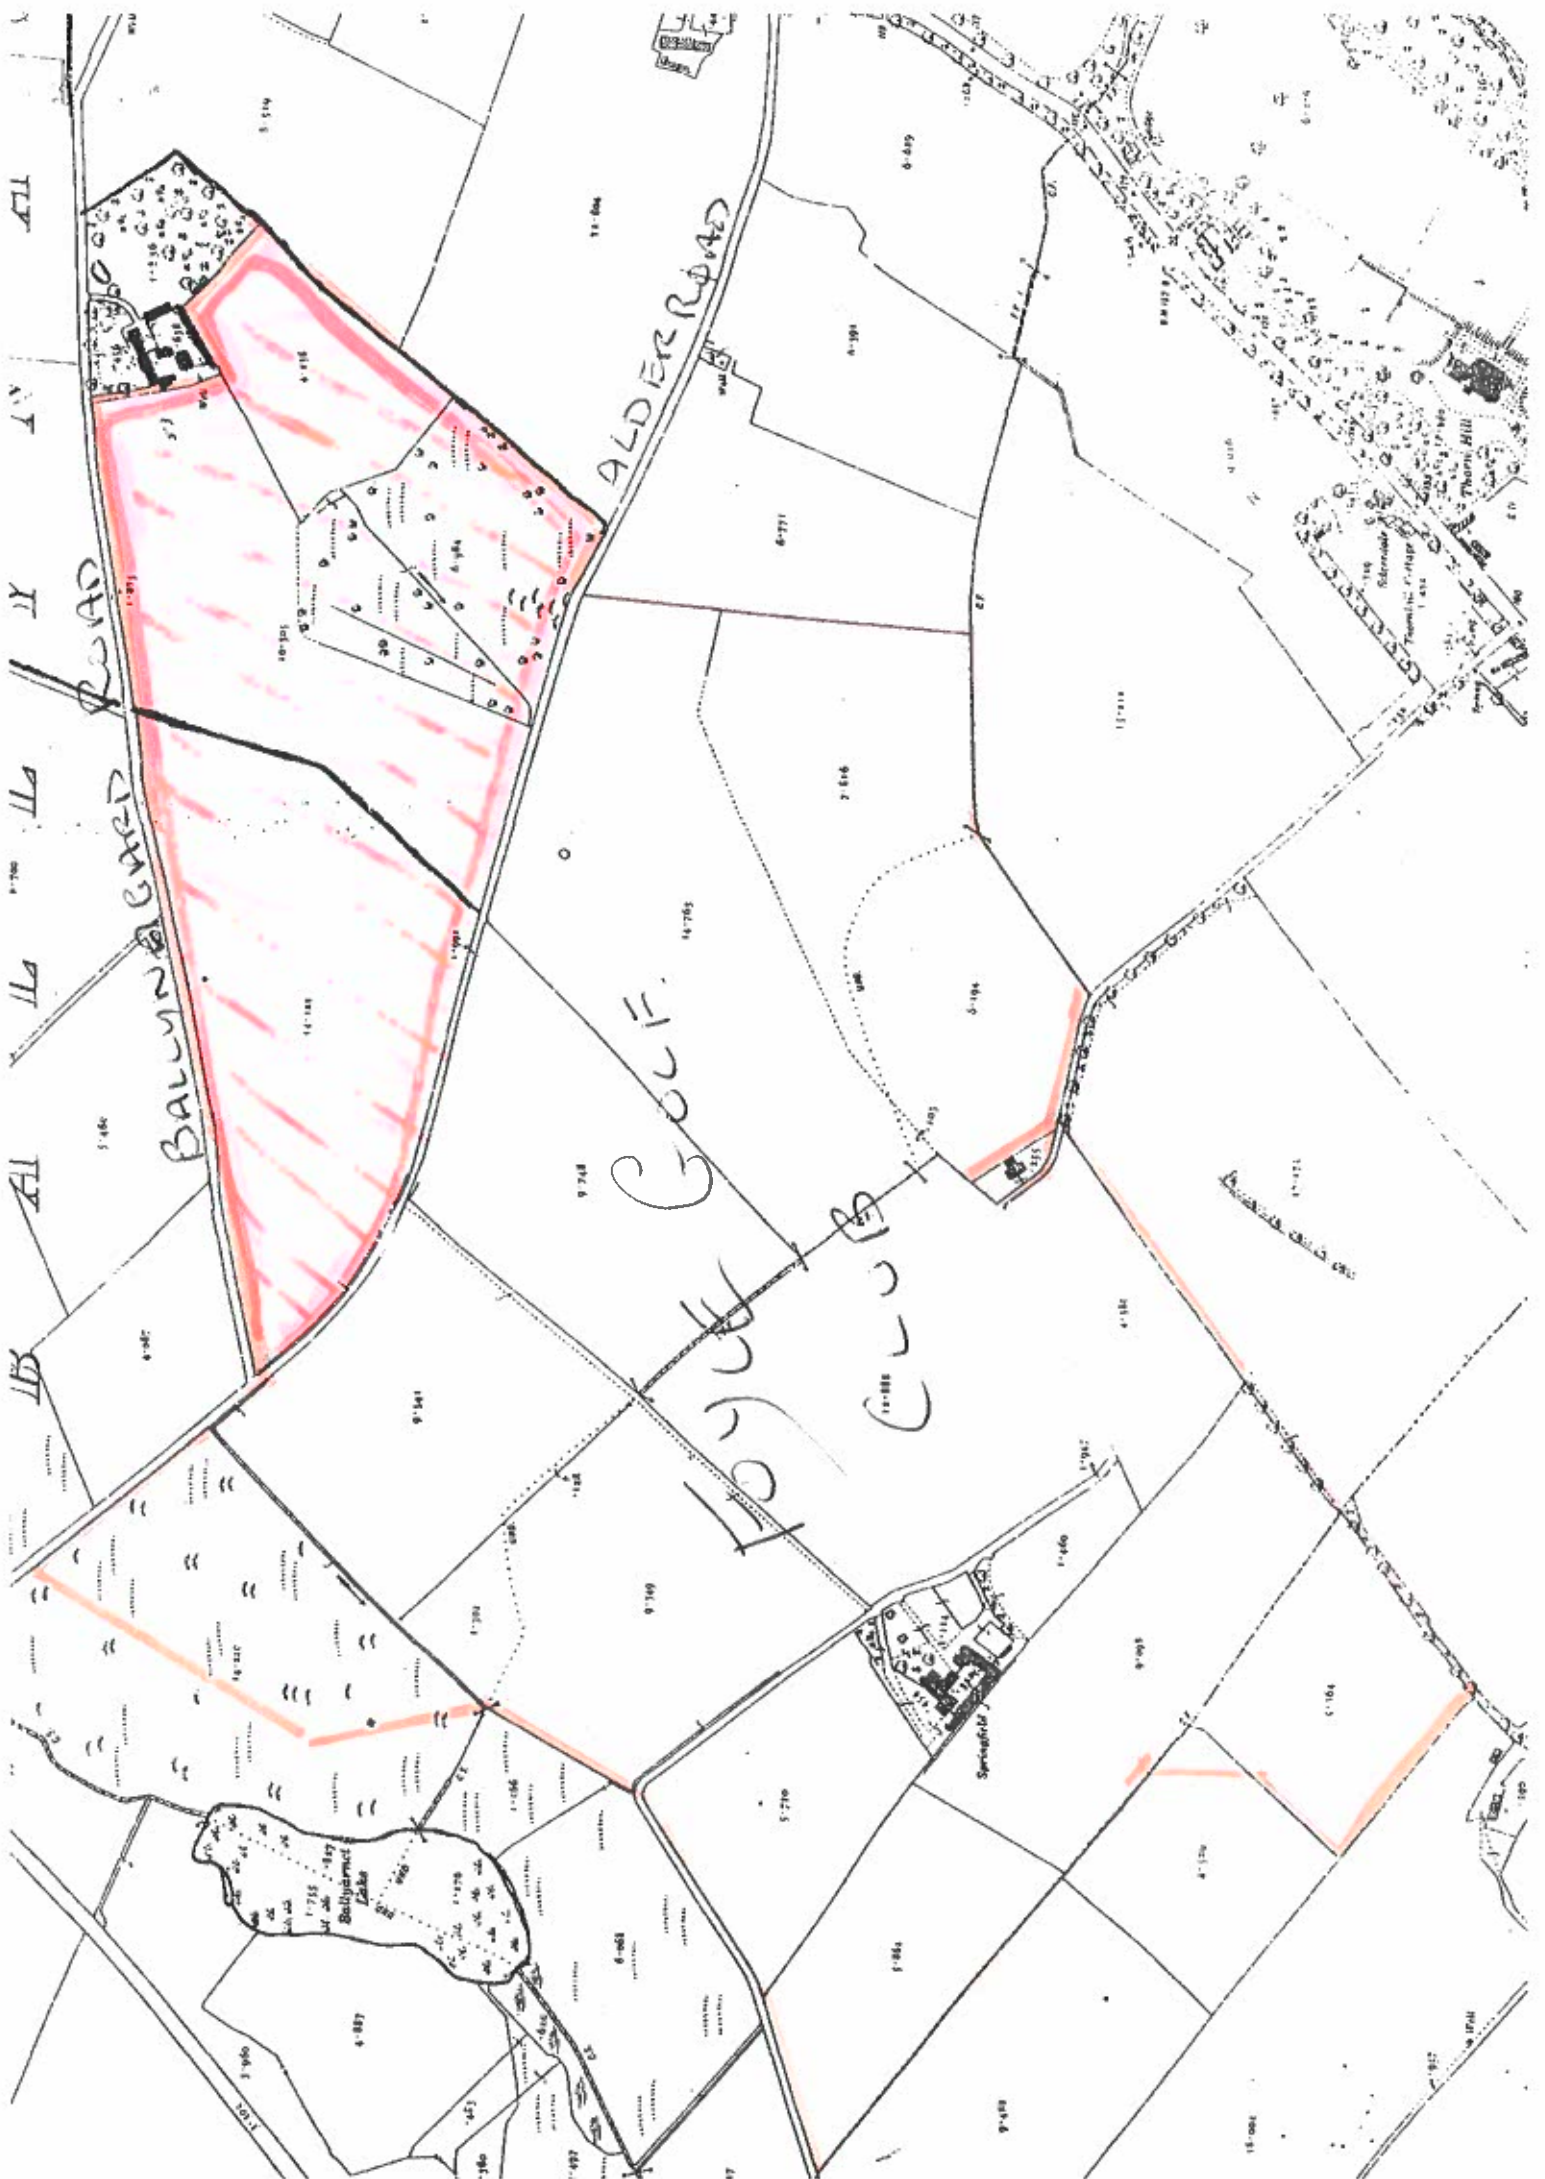

There has to be room for an individual style of housing in a setting away from the conglomerations.

The subject lands shaded in pink on the attached map would give the opportunity for a diverse and individual style of development. Services are available next to the site.

I would therefore request that favourable consideration be given to this proposal.

Perhaps you would be kind enough to acknowledge receipt by email to

**Representations Form for the Re-Consultation of the LDP
Draft Plan Strategy & Associated Appraisal / Assessments**

September 2020

<http://www.derrystrabane.com/Subsites/LDP/Local-Development-Plan>

Re-Consultation on LDP Draft Plan Strategy

The Council's LDP draft Plan Strategy was already published in December 2019, followed by a consultation period which ended in January 2020. However, a procedural error has been identified so this further consultation period is now being undertaken. Any additional or revised representations may now be submitted during this re-consultation period.

If you did not make a Representation to the draft Plan Strategy during the previous consultation period and now wish to do so, please use this form to make your Representation. Similarly, you can use this form to provide any additional or revised information to a previously made Representation or to indicate that you do not wish to add any further information to your previously submitted Representation.

What is the Local Development Plan (LDP)?

The new LDP will guide land-use development and set out Planning policies and proposals for the use, development and protection of our settlements and countryside across our District to 2032. Crucially, it will help to deliver the outcomes in the Strategic Growth Plan. Once the LDP is adopted, its Planning policies, zonings and development proposals will be used to determine planning applications across the District. The LDP will comprise of two development plan documents: this LDP Plan Strategy and, in due course, the LDP Local Policies Plan.

What is the LDP Plan Strategy (PS)?

This LDP draft Plan Strategy sets out the Council's strategic Planning objectives, designations and policies for the District in line with regional strategies and policies, but tailored to the local needs of this City and District.

The preparation of the PS has been informed by the Council's LDP Preferred Options Paper (POP – May 2017) which provided the basis for consulting with the public and stakeholders on a series of options for dealing with key issues in the Plan area. It set out the Council's initial proposals and policy direction, therefore aiming to stimulate public comment and help interested parties to become involved in a more meaningful way at the earliest stage of Plan preparation. The published draft LDP PS fully reflects a consideration of all the representations made during the POP consultation period and all engagement with stakeholders, consultees and elected Members of the Council.
