Dear Ms

Environmental Information Regulations Request Chemicals used on Grass Verges

Thank you for your request as above. I can advise that this function is not carried out by Derry City and Strabane District Council. This function is undertaken by Department for Infrastructure Roads (DfI Roads). Council has passed your message to Roads Western Division to investigate and respond.

Any further queries relating to this matter should be directed to the following address: transportni.western@infrastructure-ni.gov.uk. Alternatively you can complete an online report at:
