Dear Mr

Freedom of Information Act 2000 Request Spend on external legal services

I refer to your FOI request as above. Please note that Derry City and Strabane District Council was formed under the Local Government Act (Northern Ireland) 2014 effective 1 April 2015 following a Review of Public Administration and replaces the former councils of Derry City Council and Strabane District Council. Requests made to the legacy councils since 1 April 2015 are being handled by Derry City and Strabane District Council and duplicate requests made to the legacy councils are being treated as one request.

Information is supplied for Derry City and Strabane District Council. The attached spreadsheet details all payments made to external legal advisors who have provided services to DCSDC for the period 1st April 2015 to September 2016. Payments are for provision of advices and, where required representation in court.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:
