Dear Mr

Environmental Information Regulations 2004 Request DCSDC land in the Moor Ward

I refer to your EIR request as above and respond as follows:

1. What areas account for "Council Land" in The Moor Ward? A map with areas shaded will suffice (I have no wish to identify commercial properties or individuals)

Response: Council are regrettably unable to extract the information in the form in which you have requested. Under Article 6 of the Environmental Information Regulations, Council is not obliged to provide the documentation in the requested form if it is unreasonable to do so or if it is publically accessible elsewhere, ie

6.—(1) Where an applicant requests that the information be made available in a particular form or format, a public authority shall make it so available, unless—

- (a) it is reasonable for it to make the information available in another form or format.

In an effort to provide advice and assistance as stipulated in Regulation 9(1) of the EIR, the following list details the properties owned by Council within the Moor Ward.

- Brandywell Stadium & Play Park
- Daisyfield
