Dear Ms

Freedom of Information Act 2000 Request Children at risk of child sexual exploitation

I refer to your FOI request as above and apologise for the delay in response. I can however advise that no referrals to children's social services due to concerns that they may be at risk of child sexual exploitation in Council premises occurred in 2016.

Local authorities in Northern Ireland however do not have the same responsibilities as those in the rest of the UK. Further guidance on the [role of local authorities](#) within Northern Ireland and other statutory partners is available on the Northern Ireland one stop government portal: NIDirect.

I would also suggest you contact: **Western Health & Social Care Trust**
