Dear Mr

Freedom of Information Act 2000 Request Provision of goods & services

I refer to your FOI request as above and attach spreadsheet in response. I can advise however that our database system does not determine limited companies/limited liability partnerships and to supply this information would entail examination of each individual line item. You may be aware Section 12(1) of the FOIA contains a provision which allows a public authority to refuse to comply with a request for information where the cost of compliance is estimated to exceed a set limit known as the appropriate limit. For local authorities, this limit is set at £450 - The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 SI 2004 No 3244 refers. To examine and redact non-relevant information would, in Council's opinion, exceed the permitted amount.

Under Section 16 of the Freedom of Information Act 2000 " Council have a duty to advise and assist" and we have therefore supplied you with all information relating to those organisations who, in the period from 6 April 2015, have received payment(s) for the provision of goods and services from Derry City & Strabane District Council.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes. Firstly our internal review procedure is available by contacting:
