Dear Mr

Freedom of Information Act 2000 Request Information on potential impact of Brexit

I refer to your FOI request and apologise for our short delay. We respond as follows:

Request:

- All reports and planning documents produced by the Council on the potential impact of Brexit
- These to include any reports on the potential financial impact of Brexit
- These reports to cover a period from July 2016 up to July 2018
- The date the report was produced to be included
- The section of the Council which included the report to be included
- The amount of money spent producing the reports to also be included (if this is available)

Response:

I can advise the only report or planning document carried out was commissioned by the North West Regional Development Group (a partnership between Derry City and Strabane District Council and Donegal County Council which is currently 100% grant funded from the NI and ROI Governments). It was entitled "Initial Analysis of the Challenges and Opportunities of Brexit for the DCSDC & Donegal County Areas – The North West Region" and is publicly available on our website at the link below:-

Report preparation and publication	£16,050
Printing costs	£2,750
Conference costs	£3,980

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:

John Kelpie
Chief Executive
Derry City and Strabane District Council
98 Strand Road
Derry BT48 7NN Tel 028 71253253 or email john.kelpie@derrystrabane.com

Secondly, you can appeal directly by contacting the Information Commissioner at:

Information Commissioner
Wycliffe House
Water Lane
Wilmslow
CHESHIRE SK9 5AF Tel: 0303 123 1113 (local rate) or email: casework@ico.org.uk

I would advise however, the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely
