Dear Mr

Freedom of Information Act 2000 Request Brexit Planning

I refer to your FOI request and apologise for the short delay. We respond as follows:

Request:

Please send me all impact assessments/analysis/studies undertaken by your council on the potential effects of Brexit on your council area (including but limited to impact on infrastructure and delivery of services).

Response:

The only assessment, analysis or study that was carried out was commissioned by the North West Regional Development Group (a partnership between Derry City and Strabane District Council and Donegal County Council). It was entitled "Initial Analysis of the Challenges and Opportunities of Brexit for the DCSDC & Donegal County Areas – The North West Region" and is publicly available on our website at the link below:-

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

I would advise however, the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely
