Dear Ms

**Freedom of Information Act 2000 Request Interim/Temporary Managers
2011/12 - 2015/16**

I refer to your FOI request as above and thank you again for the extension granted.

Please note that Derry City and Strabane District Council was formed under the Local Government Act (Northern Ireland) 2014 effective 1 April 2015 following a Review of Public Administration. I can further confirm that records from the legally extant Councils of Strabane District Council and Derry City Council, while held, are held in different locations, servers, systems and software packages and depending on the information required, there may be associated cost implications with the retrieval of the information and may no longer be of relevance to you. We are able to respond to some of your questions on the information readily available and attach the excel spreadsheet detailing our response.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes. Firstly our internal review procedure is available by contacting:
