Dear Mr

Freedom of Information Act 2000 Request Salary Scales

I refer to your FOI request as above. I can advise that most new employees start on the minimum point of the salary scale. In exceptional circumstances an employee may start on a higher point. There is currently no written policy and this only happens when supporting evidence is provided.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:
