Dear

**Freedom of Information Act 2000 Request Street Names Policy**

I refer to your FOI request as above. Please see attached in response.

- Copy of current SNPN Policy.
- Table detailing all bilingual signage installed by Council since 2001.
- Note the only reason (as requested by applicant) for not installing signs are failure to reach 66% consent at plebiscite stage. This is all detailed on the attached table.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:
