Dear Mr Kelpie,

The Ulster Unionist Party wishes to replace Alderman Derek Hussey with Alderman Mary Hamilton as a member of the Derry City & Strabane District PCSP and automatically nominate her to the position of Chair.

Alderman Hussey has indicated that given his increased workload of combining his role as Deputy Mayor, membership of other committees and working groups and his commitments as a councillor to his own DEA, he has decided to step down from his position on Derry City & Strabane District PCSP, of which he has been a member since its inception in 2015.

Yours sincerely

[REDACTED]

Robin Swann MLA
Leader, Ulster unionist Party
