Dear Mr

Freedom of Information Act 2000 Request Motor Sport Deaths

I refer to your FOI request and respond as follows:

Request:

A breakdown of the number of road deaths that have occurred during organised road races such as the North West 200, Ulster Grand Prix and other small events that have taken place within your council area.

Response:

I can advise that Derry City & Strabane District Council would have an enforcement role for those clubs with employment. Within the last 10 years, there have been no notifications of any fatalities at events held within this council area.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:

John Kelpie
Chief Executive
Derry City and Strabane District Council
