Dear Mr

Environmental Information Regulations 2004 Request Non-compliance with Building Control Regulations

I refer to your EIR request regarding any action taken by Council in respect of lack of building control approvals for any multiple buildings erected since approximately 1989 at business known as Porter Trailers, 25 Drumquin Road, Castledearg BT81 7PX .

I can advise that since 1989 Council has not received any applications in relation to these buildings and has taken no action in respect of this.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:

John Kelpie

I would advise however, the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely
