Northern Ireland Law on Gaming Machines

The Law on Gaming Machines in Northern Ireland

Purpose of this leaflet

 This leaflet provides information on some aspects of the law on the operation of gaming machines in Northern Ireland. It is not an authoritative nor a complete statement of the law and is only intended to provide a brief overview and highlight some of the major legal requirements and conditions.

The Northern Ireland law on gaming machines

 The Northern Ireland law on gaming machines is contained in the Betting, Gaming, Lotteries and Amusements (Northern Ireland) Order 1985 (the 1985 Order) as amended and associated subordinate legislation. It regulates the conditions under which gaming machines may be supplied, maintained and used. A list of current relevant legislation on gaming machines is attached at Annex A.

Definition of a gaming machine

 A gaming machine is defined in Article
2 of the 1985 Order as a machine constructed or adapted for playing a game of chance by means of it and having a slot or other aperture for the insertion of cash or tokens.

Supply and maintenance of gaming machines¹

- 4. Anyone who wishes to supply or maintain gaming machines must obtain a gaming machine certificate or permit from a court authorising him to do so. A permit is intended to cover a single transaction ie the supply or maintenance of an individual machine; a certificate is required for a person acting in a regular way of business.
- These procedures apply to manufacturers, importers, wholesalers and converters of gaming machines as well as retailers.
- 6. A person under the age of 18 is disqualified from holding a gaming machine certificate or permit.
- 7. No gaming machines may be supplied to any premises unless the supplier's full name and address, together with the manufacturer's serial number (if any), are prominently displayed on the front of the machine (SR 1989 No 142).

Terminology

- 8. In this leaflet:
 - a "jackpot" machine means a gaming machine played for large prizes of up to the statutory limit of £250;
 - an "amusement with prizes" machine means a gaming machine played for small prizes with statutory limits applying (paragraphs 14 and 16).

Jackpot gaming machines

- 9. Jackpot machines may be used:
 - in registered clubs ie private members' clubs which have been registered with the courts under the 1985 Order or the Registration of Clubs (Northern Ireland) Order 1996 (Articles 95(1)(a) and 106 of the 1985 Order); and
 - as an incidental attraction at entertainments such as fetes, sales of work, dinners or dances, provided the entertainments are not run for private gain (Articles 95(1)(c) and 122).
- 10. In a registered club:
 - the maximum stake per game is 50p (Article 106(3));

- the maximum value of a prize is £250 (Article 106(5)) which must be in coins delivered by the machine itself (Article 106(4));
- no more than 3 machines may be made available for gaming (Article 106(2)).
- For gaming machines used as an incidental attraction at entertainments such as fetes etc under Article 122, there are no statutory limits on the number of machines, stakes or prizes.

Amusement with prizes machines

- 12. Articles 95(1)(b) and 108 of the 1985Order allow amusement with prizes(AWP) machines to be used in:
 - amusement arcades and similar premises which have been granted an amusement permit for the purposes of Article 108(1)(c) or (1) (ca) of the 1985 Order by the local district council;
 - commercial bingo clubs licensed by the courts and for which the court has given a direction under Article 63(9) or 68(6)(a);
 - licensed bookmaking offices (subject to a maximum of two machines);
 - the bar areas of public houses and licensed hotels; and
 - travelling showmen's pleasure fairs.

£8 prize machines

- 13. AWP machines with a maximum prize value of £8 may be used in:
 - amusement arcades and similar premises which have been granted an amusement permit for the purposes of Article 108(1)(c) or (1) (ca) of the 1985 Order by the local district council;
 - commercial bingo clubs licensed by the courts and for which the court has given a direction under Article 63(9) or 68(6)(a); and
 - travelling showmen's pleasure fairs.
- 14. The following conditions apply:
 - the maximum stake per game is 30p; this must be in cash, tokens may not be used (Article 108(6)(a));
 - the maximum value of a prize is £8
 (Article 108(7)); there are three
 options for payment up to £8 in
 cash; or a non-monetary prize or
 tokens exchangeable for a non monetary prize of up to £8 in value; or
 a combination of a cash prize and a
 non-monetary prize or tokens
 exchangeable for such a combination
 up to a total value of £8.

£25 prize machines

15. AWP machines with all-cash prizes of up to £25 may be operated in:

- amusement arcades and similar premises which have been granted an amusement permit for the purposes of Article 108(1)(ca) of the 1985 Order by the local district council;
- commercial bingo clubs licensed by the courts and for which the court has given a direction under Article 63(9) or 68(6)(a);
- licensed bookmaking offices (subject to a maximum of two machines); and
- the bar areas of public houses and licensed hotels.
- 16. The following conditions apply:
 - the maximum stake per game is 30p; this must be in cash, tokens may not be used (Article 108(6));
 - the maximum prize is £25; it must be paid directly from the machine in cash (Article 108(8));
 - re premises holding an amusement permit granted for the purposes of Article 108(1)(ca) of the 1985 Order, age-related conditions apply which are intended to ensure that under 18 year olds do not have access to the premises or parts of the premises in which £25 prize machines are operated (Articles 111(6A) and 115(7A)).

- 17. Except for licensed bookmaking offices, there is no statutory limit in the 1985 Order on the number of gaming machines which may be used in the premises listed in paragraph 12 above. A licensing court does, however, have power to specify a maximum limit on the number of gaming machines made available for gaming in particular premises when considering:
 - an application for the grant or renewal of a bingo club licence (Articles 63(9) and 68(6)); and
 - at the request of the police, an application for the grant or renewal of a licence for a public house or a hotel under the Licensing (NI) Order 1996 (Articles 7(13) and 15(6) of the Licensing Order and Article 108(4) of the 1985 Order).
- 18. In addition, when considering the grant or renewal of amusement permits, a district council has power to limit the number of gaming machines available for gaming in certain premises. The power applies only to premises where gaming machines are not the main activity eg pleasure fairs. (Articles 110(2)(c), 110(3), 111(5)(b), 111(6)(a), 115(6)(b) and 115(7)(a))

Cancellation of registration of clubs etc

- make a declaration withdrawing the authority to operate gaming machines in a specific bingo club, bookmaking office, public house or licensed hotel (Article 107).

Children and gaming machines

- 20. There are some restrictions in the 1985 Order specifically on the use of certain types of gaming machines by children. There are also restrictions on the access of under 18 year olds to certain premises in which gaming machines may be available for use.
 - It is an offence for any person to invite, cause or permit an individual under the age of 18 to play a gaming machine other than a lower limit gaming machine (Article 124A).
 - under 18s must not be admitted to licensed bookmaking offices; this prohibition does not apply to a young person who has reached the upper limit of compulsory school age and is apprenticed to the licensed bookmaker (Article 50);

 in amusement arcades and similar premises holding an Article 108(1) (ca) amusement permit, under 18s must not be admitted to premises or parts of premises in which £25 prize machines are operated (Articles 111(6A) and 115(7A)).

Restrictions on simulated card game machines

21. The supply, maintenance and use of gaming machines constructed or adapted for playing simulated card games such as poker are prohibited unless the machines are to be used in accordance with the 1985 Order on premises where gaming machines are permitted by the Order (SR 1989 No 141). The prohibition on the supply of such machines applies only to their supply for use in Northern Ireland.

Prohibition of profit-sharing agreements

22. Except in the case of travelling showmen's pleasure fairs, amusement arcade- type premises and pleasure piers, no supplier may supply to, or maintain gaming machines in, any premises on any form of profit-sharing agreement (Article 82).
