

Ref: FOI / 6304

19th May 2026

Freedom of Information Act 2000 Request - Property Asset List / Information

I refer to your FOI request and respond as follows:

You have requested: -

a list of all land and property assets owned, leased, or otherwise managed by Derry City and Strabane District Council within its administrative area and specifically:

- The name of the asset (if applicable)
- The address or location
- The type of asset (e.g. building, sports facility, pitch, community centre, park, etc.)
- Whether the asset is owned, leased, or managed by the Council
- Whether the asset is currently occupied or in use
- If occupied or in use, the name of the organisation, club, or group using the asset (if recorded)
- The nature of the arrangement (e.g. lease, licence, hire agreement, or other)

I can confirm that the council holds this information. With regard to the information contained in the first three bullet points I attach a spreadsheet with the information requested.

With regard to the remaining bullet points, Section 12 of the Freedom of Information Act 2000 allows a public authority, such as Derry City and Strabane District Council to refuse to disclose information requested if the cost of complying with the request would exceed a figure of £450.00.

The Guide to the Freedom of Information Act issued by the Information Commissioner, who is the regulator responsible for ensuring that public authorities comply with this legislation, advises that a request may be refused if deciding whether Council hold the information would mean that Council would exceed the cost limit.

f Derry City & Strabane District Council
@dcsdcouncil

Due to the way that information is recorded it is not possible, by means of an electronic search, to establish the information requested. This would require a manual search of approximately 230 folders. Allowing for 15 minutes to retrieve and review each folder this would exceed 20 hours and therefore exceed the costs limit.

The Council has, therefore, decided to refuse your request under the exception to disclosure provided in Section 12 of the Freedom of Information Act 2000.

Where the Council decides that the information requested is exempt from disclosure under Section 12 of the Freedom of Information Act 2000, it must consider if it can assist in wording the request in a way that would allow the request to be dealt with.

In this case because of the way in which the documentation is held, the council does not believe it is possible to narrow this request to bring it within the cost limit, although if you have an enquiry about any specific property in the spreadsheet this can be addressed.

I can advise, however, that the council is currently undertaking a process of digitising the majority of the information sought, at which time it is anticipated that the information will be published on the council website. Whilst this would potentially mean that the exemption under section 22 of the act would apply to this request, the council has deemed that it is in the public interest to disclose the information readily available at this time.

If you are dissatisfied with our response, you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:

John Kelpie
Chief Executive
Derry City and Strabane District Council
98 Strand Road
Derry BT48 7NN
Tel: 028 71253253 or email john.kelpie@derrystrabane.com

Secondly, you can appeal directly by contacting the Information Commissioner at:

Information Commissioner

Wycliffe House

Water Lane

Wilmslow

CHESHIRE SK9 5AF

Tel: 0303 123 1113 (local rate) or email: casework@ico.org.uk

I would advise however, the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely

Philip Kingston LLB

Lead Legal Services Officer
