Freedom of Information Act 2000 Request - Accessibility Infrastructure Data

I refer to your FOI request and respond as follows:

1. **Public conveniences: the council's register of public toilets, including location, opening arrangements, accessibility features (accessible cubicle, RADAR key requirement, baby changing), and Changing Places facilities. If a public-toilets GIS layer exists on the council's mapping system, an export of that layer's data would satisfy this item.**

   The 5 public conveniences that we have are located at:

   - Donemana, 227a Berryhill Road, Donemana, BT82 0NB (2x External accessible), open 8am-6pm, RADAR Key accessible and baby changing available.
     No Changing Place facility.

   - Sion Mills, 151 Melmount Road, Sion Mills, BT82 9EX (1x Internal accessible by RADAR key), open 8am-6pm, no baby changing available.
     No Changing Place facility.

   - Pumbridge, 22 Main Street, Plumbridge, BT79 8AA (1x external accessible by RADAR key), open 8am-6pm, no baby changing available.
     No Changing Place facility.

   - Barnes Gap Car Park, Landahussey Road, Plumbridge, BT79 8EQ (2x External accessible), open 8am-6pm, no baby changing available, no RADAR key facility.
     No Changing Place facility.

   - Cranagh, 220a Glenelly Road, Cranagh, BT70 8LW (2x Internal accessible), open 8am-6pm, no baby changing available, no RADAR key facility.
     No Changing Place facility.

2. **Dropped kerbs: any register, asset list or GIS layer of dropped kerbs / kerb ramps on the public highway maintained by the council or its highways contractor, including location**.

   Please be advised that Council does not hold this information as it does not fall within council's remit, therefore, you should contact Department for Infrastructure who will be able to assist you. Please see the details below:

   https://www.infrastructure-ni.gov.uk/articles/public-access-information

3. **Pedestrian crossings: the council's inventory of signalised and non-signalised pedestrian crossings, including crossing type and any recorded accessibility attributes (audible signal, rotating tactile cone, tactile paving).**

   Please be advised that Council does not hold this information as it does not fall within council's remit, therefore, you should contact Department for Infrastructure who will be able to assist you as above.

4. **Disabled parking bays: locations of on-street disabled persons' parking bays (both Traffic Regulation Order bays and advisory bays) within the council's area.**

   Please be advised that Council does not hold this information as it does not fall within council's remit, therefore, you should contact Department for Infrastructure who will be able to assist you as above

If you are dissatisfied with our response, you have rights of review and appeal; these rights consist of two review processes.

Firstly, our internal review procedure is available by contacting:

John Kelpie
Chief Executive
Derry City and Strabane District Council
98 Strand Road

Derry BT48 7NN
Tel: 028 71253253 or email: john.kelpie@derrystrabane.com

Secondly, you can appeal directly by contacting the Information Commissioner at:

Information Commissioner
Wycliffe House
Water Lane
Wilmslow
CHESHIRE SK9 5AF
Tel: 0303 123 1113 (local rate) or email: casework@ico.org.uk

I would however advise that the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.
