Dear Mr

**Freedom of Information Act 2000 Request UK City of Culture Post-event Report**

I refer to your FOI request as above and respond as follows:

A Post-Project Evaluation has been completed and was submitted to the former Department of Culture Arts and Leisure for approval (now known as the Department for Communities). For a period of months there have been queries arising from the Department's assessment and Council has recently submitted final responses and I therefore hope that the report will be published early next year.

I regret that this report is not currently available for you but I am happy to share with you an interim monitoring report from 2014, a draft legacy report and also the Queen's report as referenced in your email.

Should you wish to speak with someone directly on the impacts of the UK City of Culture please do not hesitate to contact Brendan McMenamin at [Brendan.mcmenamin@derrystrabane.com](mailto:Brendan.mcmenamin@derrystrabane.com) or myself Oonagh McGillion at [Oonagh.mcgillion@derrystrabane.com](mailto:Oonagh.mcgillion@derrystrabane.com). Best wishes with your research.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.
