Freedom of Information Act 2000 Request - Council's Construction Projects

I refer to your FOI request and respond as follows:

I would be grateful if you could provide the following details regarding your council's construction projects:

1. Common Data Environment (CDE) or Information Management Tool:

- What Common Data Environment (CDE) platform(s) or Info Management tools, if any, does the council currently use to manage information and documentation for construction and infrastructure projects?**

Council does not have any CDE platform software for managing its construction projects.

- If applicable, please include the name(s) of the software/platform(s) and the remaining contract term.**

See above.

2. Field Tools:

- What digital field tools or site-based software applications does the council use to support construction project delivery (e.g. for inspections, snagging, quality control, or field reporting)?**

Other than use of standard smart phones, digital cameras and laptops, Council does not use any specific digital field tools or site-based software applications to support the delivery of its construction projects.

If you are dissatisfied with our response, you have rights of review and appeal; these rights consist of two review processes.

Firstly, our internal review procedure is available by contacting:

John Kelpie
Chief Executive
Derry City and Strabane District Council
98 Strand Road
Derry BT48 7NN
Tel: 028 71253253 or email: john.kelpie@derrystrabane.com

Secondly, you can appeal directly by contacting the Information Commissioner at:

Information Commissioner
Wycliffe House
Water Lane
Wilmslow
CHESHIRE SK9 5AF

Tel: 0303 123 1113 (local rate) or email: caserwork@ico.org.uk

I would however advise that the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely

Francis Morrison
