Dear Ms

Freedom of Information Act 2000 Request Drugs & Alcohol Policy

I refer to your FOI request as above.

Please note that Derry City and Strabane District Council was formed under the Local Government Act (Northern Ireland) 2014 effective 1 April 2015 following a Review of Public Administration and replaces the former councils of Derry City Council and Strabane District Council. Requests made to the legacy councils since 1 April 2015 are being handled by Derry City and Strabane District Council and duplicate requests made to the legacy councils are being treated as one request. As the amalgamation of Councils is at a relatively early stage many of our legacy Council policies are not yet aligned.

We have however responded as best we can with information from legacy Derry City Council and hope it helps in some way with your project.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:
