Product Recall

- Stop using the product immediately.
- If the product is undamaged, place in a heavy-duty plastic bag, double tape it securely, label it clearly and store in a secure location out of the reach of children.
- If the product is damaged and sand is accessible, clean up sites where the product was used using wet cloths to avoid generating dust. Wear gloves and a mask. Double bag the sand, gloves, mask and cloths.
- Keep children and other people away from areas where the sand has been used until the area has been cleaned.
- Return the product to Dunelm, who will provide a full refund. If you are unable to return the product to Dunelm, follow the steps above and contact your local authority / access their website for guidance on safe disposal of asbestos in your area.
- For further information, please contact Dunelm or visit the [GOV.UK page on asbestos in consumer products](https://www.gov.uk/guidance/product-recalls-and-alerts).
