Application for a permit for coal, coke, coal product and petroleum coke processes

Local Air Pollution Prevention and Control

The Pollution Prevention and Control (Industrial Emissions) Regulations (Northern Ireland) 2013

Introduction

When to use this form

Use this form if you are applying for a 'Part C' permit to operate a coal, coke, coal product and petroleum coke installation as defined in Schedule 1 to the Pollution Prevention and Control (Industrial Emissions) Regulations (Northern Ireland) 2013.

The appropriate fee must be enclosed with the application to enable it to be processed further. When complete, send the form and the fee and any additional information to:

Environmental Health
Derry City and Strabane District Council
47 Derry Road
Strabane
BT82 8DY

Environmental Health

Tel: 028 71 253 253

Email: environmentandneighbourhoods@derrystrabane.com

If you need help and advice

We have made the application form as straightforward as possible, but please get in touch with us at the address given above if you need any advice on how to set out the information we need.

For the purposes of Section H of the form, a relevant offence is any conviction for an offence relating to the environment or environmental regulation.

LAPPC application form: to be completed by the operator

For District Council Use		
Application reference	Officer reference	Date received

A **The basics**

A1 **Name and address of the installation (not required for mobile plant)**

Postcode	Telephone

A2 **Details of any existing environmental permit or consent** *(for waste operations, include planning permission for the site, plus established use certificates, a certificate of lawful existing use, or evidence why the General Permitted Development Order applies.)*

--

A3 **Operator details** *(The 'operator' = the person who it is proposed will have control over the installation in accordance with the permit (if granted).)*

Name: Trading name, if different:
Registered office address: Principal office address, if different:
Company registration number:

A4 Any holding company?

Is the operator a subsidiary of a holding company within the meaning of the Companies (Northern Ireland) Order 1986? If "yes" please fill in details of the ultimate holding company.

No Yes

Name:

Trading name, if different:

Registered office address:

Principal office address, if different:

Company registration number:

A5 Who can we contact about your application? *It will help to have someone who we can contact directly with any questions about your application. The person you name should have the authority to act on behalf of the operator - This can be an agent or consultant.*

Name and position: _____

Telephone: _____

Email: _____

B The installation

B1 Is the installation annual throughput less than 250,000tonnes per annum?

Yes No

If you answered **No** to question B1 this installation is **not suitable** for a simple permit.

B2 Do the activities carried out at your installation include: (tick all that apply)

a) coal stockyard Yes No

b) ship loading/unloading Yes No

c) open cast pit Yes No

d) coal briquetting Yes No

e) other Yes No

B3 Why is the application being made?

new installation

change to existing installation means it now needs a permit

B4 Site maps – please provide:

- **A location map with a red line round the boundary of the installation.**

Document reference: _____

- **A site plan or plans showing where all the relevant activities are on site:**

a) where the processing plant will be installed

b) the areas and buildings/structures designated for materials and waste storage and the type of storage

c) the conveyors and transfer points

d) any directly associated activities or waste operations.

To save applying for permit variations, you can also show where on site you might want to use for storage etc. in the future.

Document reference: _____

B5 Are there any sites of special scientific interest (SSSIs) or European protected sites nearer than any of the following distances to the proposed installation?

1km - where the installation involves mineral or cement and lime activities

Yes No

If yes, is the installation likely to have a significant effect on the special scientific interest or European protected sites?

Yes No

If yes, please write on a separate sheet or enclose a relevant document explaining what the implications are for the purposes of the Conservation (Natural Habitats etc) Regulations (Northern Ireland) 1995 (see appendix 2 of Annex XIV of the [General Guidance Manual](#))

Document Reference: _____

B6 Will emissions from the activity potentially have significant environmental effects (including nuisance)?

Yes No

If yes, please list the potential significant local environmental effects (including nuisance) of the foreseeable emissions on a separate document.

Document Reference: _____

If yes, please enclose a copy of any environmental impact assessment which has been carried out for the installation under planning legislation or for any other purpose.

Document Reference: _____

C The details

C1 Does your installation have arrestment equipment, with external discharge points, not serving silos or dryers with an airflow of:

(Tick all that apply)

- a) over 300m³/minute: Yes No
b) under 300m³/minute and over 100m³/minute: Yes No
c) under 100m³/minute: Yes No

C2 Do you have continuous monitors to show compliance with a numerical limit in Table 1 of the simple permit? *[informs Condition 2 and Table 1]*

Yes No

If yes, do the continuous monitors have alarms which are:

(tick all that apply)

[informs Condition 2 and Table 1]

- a) visible Yes No
b) audible Yes No
c) alarm activation recorded automatically Yes No
d) Is a trigger level set Yes No

At what percentage of the emission limit is the value set? %

Have you undertaken isokinetic sampling at least once to demonstrate compliance with the numerical limit in Table 1?

Yes No

C3 Does any arrestment plant have a bypass installed?

Yes No

C4 Do you unload coal which has a preponderance of coal smaller than 3mm.

[informs condition 10]

Yes No

C5 Do you have pneumatic transfer of materials?

[informs condition 8]

Yes No

C6 For materials not dealt with in C2, what facilities will be provided to store any dusty material and waste? *(tick all that apply)**[informs condition 5]*

- hopper wind-protected on at least 3 sides
 storage bay without suppression and stockpiles kept lower than the retaining walls
 storage bay with suppression
 fully-enclosed stores
 other - please specify: _____

C7 Will any material be stored in the open (unenclosed) other than material wholly comprised of one or more of the following: >3mm material, sand, scalplings, road sub base (MOT) material that has been conditioned before deposit, conditioned crusher-run or blended material? *[informs condition 5]*

Yes No

C8 Do you have belt conveyors: *[informs condition 8]*

Yes No

If yes, which of the following facilities will be provided to convey any coal/fuel?

(tick all that apply)

[informs condition 8]

a) deep trough ground-level conveyor

b) fully-enclosed conveyor

c) pneumatic handling system

d) bucket elevator

e) wind boards

f) other – please specify _____

C9 How do you manage dust emissions from your coal stockpiles?

[informs condition 6 & 7]

Do you have small coal?: Yes No

If yes, do you profile stockpiles of small coal? *[informs condition 6]*

Yes No

Do you compact your stockpiles of small coal? *[informs condition 5 & 6]*

Yes No

Do you store fuels which may be damaged by compacting?

[informs condition 5 & 6]

Yes No

If yes, what techniques do you use to control dust emissions?

(tick all that apply)

[informs condition 18]

a) three-sided bays

b) limiting the height of stockpiles

c) covers, dust suppressants

d) wind breaks with bunding or fencing

e) strategic location

f) strategic sizing arrangements

C10 Which of the following methods will be used to minimise emissions at belt conveyor transfer points, including free fall of material? (tick all that apply)
[informs condition 8]

- a) enclosed
- b) enclosed and ducted to arrestment equipment
- c) fitted with a chute
- d) drop heights minimised
- e) other - please specify _____

C11 Which of the following techniques will be used to clean belt conveyors (tick all that apply)
[informs condition 8]

- a) belt scrapers
- b) catch plates
- c) other techniques for keeping the return belt clean and collecting the material removed by the cleaning – *please specify:*

C12 How will potentially dusty materials (including any raw materials, finished products and waste), arrive at or leave the site? (tick all that apply)
[informs Condition 9, 10 & 11]

	Raw Materials	Finished Products	Waste
Road			
Rail			
Other			

C13 How will potentially dusty materials, (including any raw material, finished products and waste) be transported within the site (tick all that apply)
[informs condition 18]

- a) tanker
- b) fully-enclosed transport
- c) 'canopied' rail wagons
- d) sheeted transport
- e) water suppression applied to the transported material
- f) aqueous polymer suppression applied to the transported material
- g) bagged
- h) other – please specify _____

C14 Do you have any quarry roads as part of the installation?
[informs condition 18]

- Yes No

C15 Which techniques will you use to ensure that all vehicles leave the site with clean wheels and clean underbody? *[informs condition 13]*

- a) body and wheel wash
- b) wheel wash
- c) hose and brush
- d) hard surface between the under-vehicle washing facility and the site exit
- e) other – please specify: _____

C16 Do you have internal haul roads?

[informs condition 12]

Yes \ No

If yes, are internal haul roads maintained using a grader?

[informs condition 12]

Yes \ No

C17 Are internal haul roads clearly delineated so that vehicles are restricted to haul roads?

[informs condition 12]

Yes \ No

C18 Do you load or unload ships?

[informs condition 10]

Yes \ No

If yes, do you unload ships using continuous ship unloaders?

[informs condition 10]

Yes \ No

C19 Do you load/unload ships using grabs?

[informs condition 10]

Yes \ No

If yes, do grabs discharge onto: (tick all that apply) *[informs condition 10]*

- a) conveyors?
- b) into a hopper?
- c) into a vehicle?
- d) onto the quayside?

C20 Do you have environmental management procedures and policy?

[informs condition 3, 16 & 17]

Yes \ No

D **Anything else**

Please tell us anything else you would like us to take account of.

Document Reference _____

E **Application fee**

You must enclose the [relevant fee](#) with your application.

If your application is successful you will also have to pay an annual subsistence charge, so please say who you want invoices to be sent to.

F Protection of information

F1 Any confidential or national security info in your application?

If there is any information in your application you think should be kept off the public register for confidentiality or national security reasons, please say what and why. The [General Guidance Manual](#) chapter 6 advises on what may be excluded. (*Do not include any national security information in your application. Send it, plus the omitted information, to the Secretary of State who will decide what, if anything, can be made public.*)

Document Reference _____

F2 Please note: data protection

We have a legal requirement to ask for this information. The information you give will be used by the Council to process your application. It will be placed on the relevant public register and used to monitor compliance with the permit conditions. We may also use and or disclose any of the information you give us in order to:

- consult with the public, public bodies and other organisations,
- carry out statistical analysis, research and development on environmental issues,
- provide public register information to enquirers,
- make sure you keep to the conditions of your permit and deal with any matters relating to your permit
- investigate possible breaches of environmental law and take any resulting action,
- prevent breaches of environmental law,
- offer you documents or services relating to environmental matters,
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows)
- assess customer service satisfaction and improve our service.

We may pass on the information to agents/representatives who we ask to do any of these things on our behalf.

We will only retain this information for as long as is legally required and in line with the Council's Retention and Disposal Schedule.

For further information on your rights, as an individual, go to our website: <http://www.derrystرابane.com/Footer/Privacy-Policy>

F3 Please note: it is an offence to provide false etc information

It is an offence under regulation 36 of the PPC Regulations, for the purpose of obtaining a permit (for yourself or anyone else), to:

- make a false statement which you know to be false or misleading in a material particular,
- recklessly make a statement which is false or misleading in a material particular
- intentionally to make a false entry in any record required to be kept under any permit condition
- with intent to deceive, to forge or use a document issued or required for any purpose under any permit condition.

If you make a false statement:

- we may prosecute you, and
- if you are convicted, you are liable to a fine or imprisonment (or both).

H Declarations A and B for signing, please

These declarations should be signed by the person listed in answer to question A3. Where more than one person is identified as the operator, all should sign. Where a company or other body corporate is the operator, an authorised person should sign and provide evidence of authority from the board.

Declaration A: I/We certify

EITHER – As evidence of my/our competence to operate this installation in accordance with the PPC Regulations, no offences have been committed in the previous five years relating to the environment or environmental regulation.

OR- The following offences have been committed in the previous five years which may be relevant to my/our competence to operating this installation in accordance with the regulations:

Signature: _____ Name: _____

Position: _____ Date: _____

Declaration B: I/We certify that the information in this application is correct. I/We apply for a permit in respect of the particulars described in this application (including the listed supporting documentation) I/we have supplied. *(Please note that each individual operator must sign the declaration themselves, even if an agent is acting on their behalf.)*
