Dear Mr

**Environmental Information Regulations 2004 Request LA11/2017/0251/F
Objection letters**

I refer to your EIR request as above and respond as follows:

Derry City and Strabane District Council have considered your request for a copy of an objection letter as above.

I can advise however that the information which was redacted before publishing to the planning portal has been considered under the guiding principles of the Data Protection Act 1998. When information is the personal data of someone other than the applicant, regulation 12(3) of the EIR requires us not to disclose that personal data, except in accordance with regulation 13. Regulation 13 prohibits us from disclosing third party personal data if this would breach the Data Protection Act 1998. In this case, the information redacted is third party information and therefore exempt from disclosure. The reason for our refusal for supplying you with the third party's personal information is that we deem it would be unfair to the individual concerned. Regulation 13 is not subject to the public interest test.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:
