Dear [REDACTED]

Freedom of Information Act 2000 Request - Disclosure Logs

I refer to your FOI request and respond as follows:

Having a disclosure log is not mandatory for Council. Whilst it is considered as good practice it does take up a lot of resources which has meant that the log has, unfortunately, not been updated since 2019.

I can advise, however, that we intend to publish a new disclosure log from this month onwards. It is our intention to populate it monthly so you should see information on our website from the end of July onwards.

I hope this is to your satisfaction and advise that, if there is any information in particular that you need, you can contact us on foi@derrystrabane.com

If you are dissatisfied with our response, you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:

Tel: 028 71253253 or email john.kelpie@derrystrabane.com

Secondly, you can appeal directly by contacting the Information Commissioner at:

Information Commissioner

Tel: 0303 123 1113 (local rate) or email: casework@ico.org.uk

I would advise however, the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely
