Dear Mr t

Freedom of Information Act 2000 Request Request for Council's Plans and Strategies

Thank you for your FOI request as above. Please note that Derry City and Strabane District Council was formed under the Local Government Act (Northern Ireland) 2014 effective 1 April 2015 and replaces the former councils of Derry City Council and Strabane District Council. Requests made to the legacy councils since 1 April 2015 are being handled by Derry City and Strabane District Council and duplicate requests made to the legacy councils are being treated as one request.

Given the early stages of the new organisation I would inform you that many of our policies are being re-written to take on board each legacy council's requirements and are not available at this time. I have attached however those documents which are available, and provided weblinks to other relevant information as below.
