<b>Aspect</b>	<b>Details</b>
<b>Images</b>	
<b>Alert Number</b>	2309-0056
<b>Product Type</b>	Electrical appliances and equipment - Light up mirror
<b>Product Identifiers</b>	Brand: The Range Product code: 319774 Affected batch codes: 27281, 27783, 28405 & 30005
<b>Product Description</b>	A white vanity mirror with 8 bulbs.
<b>Country of Origin</b>	China
<b>Counterfeit</b>	Genuine
<b>Risk Type</b>	Electric shock
<b>Risk Description</b>	<p>The product is being recalled due to a safety issue which could result in an electric shock hazard to the user. The internal wiring and lamp holder construction within the sealed units do not meet the required safety standards. In instances where there is incorrect wiring of the lamp holder's live and neutral connections, the threaded metal casing of the Edison Screw (ES) light bulb would become live. There is possible access to live parts should any thin metal item be inserted into the lamp holder with the bulb fitted or not, and if the vanity light is not switched off at the wall when the lightbulb is unscrewed.</p> <p>The product does not meet the requirements of The Electrical Equipment (Safety) Regulations 2016.</p>
<b>Corrective Measures</b>	<p>The product has been recalled from end users.</p> <p>The Range has asked affected consumers to unplug the product, stop using immediately, and return it to any The Range store for a full refund. For further details, please see: <a href="https://www.therange.co.uk/product-recalls/">https://www.therange.co.uk/product-recalls/</a></p>
