Derry City & Strabane District's
Inclusive Strategic Growth Plan
2017-2032

Statement of Progress

2017-2019

Summary Document

Derry City and Strabane District's inclusive Strategic Growth Plan/Community Plan has an agreed vision to be **"a thriving, prosperous and sustainable City and District with equality for all."** The plan's mission is to **"improve the social, economic and environmental wellbeing of all citizens and to do so in a sustainable way"**.

► Progress on Economic Wellbeing

Education & Skills

Success in securing the City Deal and Inclusive Future Fund in May 2019

Performing above the NI average in students achieving 2+ A-levels and general academic output

Economy

The 2018 jobs figure is the highest on record

We have begun to "close the gap" in our employment rate with the Northern Ireland average

Tourism, Arts & Culture

Growth in overnight trips, visits and expenditure. Expenditure in 2017 was the highest on record

Trips and nights in 2018 the highest on record

► Progress on Environmental Wellbeing

Energy, Infrastructure & Transport

We have witnessed a decrease in our CO₂ emissions

Household Waste recycling up by 10%

More connected. Developments on our roads (A6, A2), Multimodal Transport Hub and greenways

Physical & Environmental Regeneration

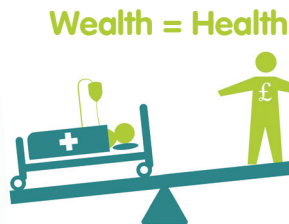

Significant improvement in our Parks and Green spaces

Regionally significant sites have been progressed, such as Ebrington and Fort George

► Progress on Social Wellbeing

Health & Wellbeing

Regrettably, 14 inequality gaps have widened in 2019

DCSDC is performing better than the NI average in relation to circulatory disease

Community Development

£13m investment programme secured for our community facilities

Rates of recorded crime per 1,000 people are higher than the NI rate

Children & Young People

More engagement of young people (UNICEF Child Friendly Communities Programme Y19 & NW Ministry of Youth)
