

Derry City & Strabane District's
Inclusive
Strategic Growth Plan
2017-2032

Statement of Progress 2021

We are regenerating

As part of the City Deal proposals we are developing a programme of investment in infrastructure, place-making and regeneration led tourism that will support the ambitions to deliver economic recovery and inclusive growth.

► The Central Riverfront and Walled City Regeneration

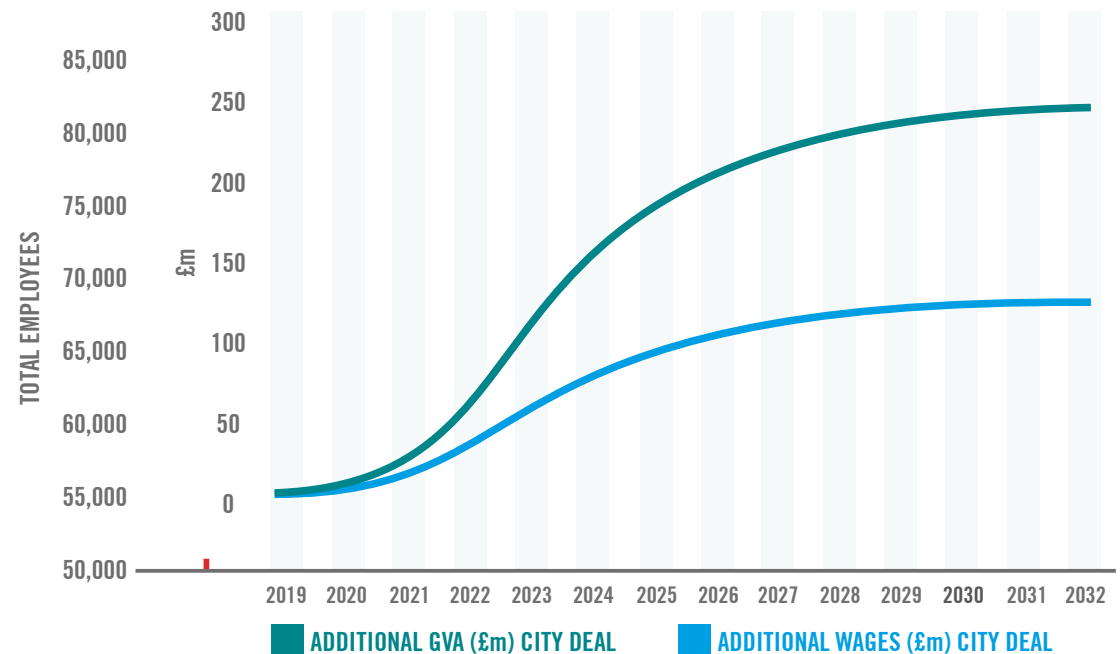

Circa £60m will be invested to reconstruct Queens Quay, remodel Harbour Square and develop the walled city core. This initiative will unlock private sector development opportunities along Queens Quay and Strand Road and open up the opportunity for development on Foyle Street. This regeneration together with the Derry/Londonderry North Atlantic (DNA) Maritime Museum at Ebrington and investment at the core of the Walled City will act as a catalyst for the regeneration of the wider city centre and riverfront. It will also release an axis of investment along the riverfront that includes Ulster University's School of Medicine and the proposed innovation centres of excellence. It will facilitate the expansion of the University Campus to the Riverfront as well as complementing innovative development at Fort George and elsewhere along the Riverfront.

► Strabane Town Centre Regeneration

A circa £80m transformation package will create new physical infrastructure centred around the historic canal basin to include a primary health care hub, a further and higher education campus of the North West Regional College and a Leisure Centre along with business incubation units coupled with improved connections to public transport through a new foot bridge and enhanced high quality public realm.

The **City Deal and Inclusive Future Fund** investment is forecast to lead to a tripling of the expected rate of employment growth, with an **additional 7,000 jobs** created by 2032, a boost to Gross Value Added (GVA - i.e. the value of local goods and services) of **£230m per annum** by the end of the decade and an additional **£126m per annum in wages** by 2032.

Total work-based employment, Baseline & Additional City Deal

We are making it happen

Despite significant challenges over the past four years, there has been tangible progress on the implementation of the Strategic Growth Plan.

We are making progress on 6 of our 8 Outcomes

Indicative change in Population Indicators from start of Plan

Change in Wellbeing Indicators

Economic Wellbeing

Social Wellbeing

Environmental Wellbeing

We are closing the gap

We have been tracking the performance of the City and District against Northern Ireland with our social, economic and environmental indicators. All of our indicators have been baselined at the commencement of the plan in 2017.

- ▶ **Our 16-64 Employment Rate has increased by 13.2% since 2016 compared to a NI Increase of 2.6% up to 2019**
- ▶ **Our economic inactivity rate (excluding students) has decreased by 4.9% compared to 1.6% decrease Northern Ireland wide from 2016 to 2019**
- ▶ **The standardised death rate (U75 all-cause mortality) per 100,000 of population has decreased by 12.2 compared to 6.2 Northern Ireland wide**
- ▶ **The standardised admission rate for alcohol per 100,000 of population – is down 345.2 compared to Northern Ireland reduction of 59**
- ▶ **We also have delivered more social dwelling completions +27 compared to -351 regionally.**

Please log onto our performance management dashboard on www.growderrystrabane.com for source data on the indicators above.

Statement of Progress

We are delivering

We have been delivering on our 232 actions. 76% of our actions are on track and 11% of our actions are complete.

Delivery of Actions

- ACTION COMPLETE
- ACTION ON TRACK
- RATE OF PROGRESS LESS THAN PLANNED
- ACTION NOT ACHIEVED WITHIN TIMESCALES

OUTCOME ▶

WE ARE BETTER SKILLED AND EDUCATED

Ulster University's School of Medicine opened in September 2021.

Ulster University's School of Health Sciences will be relocated to the Magee Campus from 2022.

The North West Regional College launched a multimillion redevelopment at Springtown Campus.

We achieved UNESCO Learning City Status.

Strategic outline business cases approved to upscale three world class centres of innovation and excellence at Magee and Altnagelvin.

OUTCOME ►

WE PROSPER THROUGH A STRONG, SUSTAINABLE AND COMPETITIVE ECONOMY

Ebrington's 50,000 ft² Grade A Office Accommodation is nearing completion and planning approval has been granted for a further 30,000 ft² second building.

UK RI funded SMART Nano project (£40m) approved and commenced to create a manufacturing corridor in the City.

Two businesses, Dragon Brand and KES Group, have located in Strabane Business Park employing 25 people. Houston Precision Engineering is also building a 30,000 ft² factory on the site which will lead to the creation of over 40 engineering jobs. This has generated further interest from several other potential investors for the final site on the park.

The AMP Incubator developed and opened in Ebrington Square in October 21.

Catalyst Inc is in advanced planning for second building at Fort George.

£1.3m allocated to local businesses resulting in 80 projected jobs in rural Communities.

£1.2m Rural Development Programme allocated to (Newtownstewart, Castlederg, New Buildings and Sion Mills) and 9 small scale Capital Projects (Plumbridge, Artigarvan, Claudy, Donemana, Killeter, Ardstraw, Clady, Drumahoe, Park).

£1.75 million allocated to assist Rural Communities for capital support to improve access to basic services.

222 businesses awarded £642,000 COVID Recovery Support Funding from Department for Communities.

Strabane Business Improvement District is beginning its 2nd 5-year term which could see a further £625,000 investment in the town centre.

ALMAC one of NI's largest companies now in City - currently recruiting first 20 jobs of an initial 100 to be located in the City.

OUTCOME ►

WE LIVE IN THE CULTURAL DESTINATION OF CHOICE

Tourism Strategy completed and published in May 2018. An action plan has been developed across three themes:

1. Product and Experience ~ Activity & Adventure, Creativity & Culture, History & Heritage
2. Visitor Servicing
3. Destination Marketing ~ the Walled City, Where the Wild Atlantic Way meets the Causeway Coastal Route

Food and Drink Strategy for the City and District published in 2019.

Relocation of Visitor Information Centre to state of the art facility in Waterloo Place completed in 2020.

Sperrins Partnership established and funding for an innovative sculpture trail with partners council to be completed in 2023.

Festivals bring in 400,000 visitors to the City and Region on an average every year contributing £7.2m to the economy (not including spend on accommodation).

City Deal funding package confirmed for the DNA Museum at Ebrington and the Walled City Experience.

2019 a record year for tourism, 466k visitors to the Walls, £71m Visitor spend, 308k overnight trips (ref NISRA).

Developed the Ulster Ireland International Appalachian Trail Development Project in conjunction with partner council.

Arts & Culture Strategy in place overseen by a cross sectoral partnership in the form of the Co Delivery Group with a mission to create together a thriving, ambitious and sustainable arts and culture community for the NW.

Extensive Audience Development project undertaken with partners at Donegal County Council to drive cultural engagement across the North West.

OUTCOME ▶

WE LIVE SUSTAINABLY, PROTECTING OUR ENVIRONMENT

We are the first District Council area in Northern Ireland to adopt a Climate Change Adaptation Plan.

We have produced Northern Ireland's first Green Infrastructure plan and natural capital account.

There are 9,000 hectares of publically owned accessible green spaces across the Derry City and Strabane District.

There are an estimated 8.5m visits to the 4,000 publically owned green spaces each year supplying £141m in benefits to residents each year.

Translink announce investment of £30m for new zero emission battery electric buses for Foyle Metro Service.

DfC have agreed, in principle, to dispose part of the Fort George site to WHSCT for a £70m+ Primary Health Care facility which will link the new School of Medicine and Innovation City Deal projects.

Completed the regeneration of Brooke Park and secured a Green Flag Award for 4th year running and Heritage Site Award received.

£7.98m SEUPB PEACE IV funding secured for Riverine - a shared space community park and pedestrian bridge from Strabane to Lifford.

£5.1m Strabane Town Centre Public Realm business case complete.

Secured in excess of £15m funding from the UK Government's Levelling Up Fund (round 1) towards the Acorn Farm, Castlederg & Daisyfield Sports Hub projects.

OUTCOME ▶

WE CONNECT PEOPLE AND OPPORTUNITIES THROUGH OUR INFRASTRUCTURE

Completed the multi-award winning £27m Multi-Modal Transport Hub, introduced an hourly train service to/from Belfast and new rolling stock in service.

The 25.5km Dungiven to Drumahoe A6 dualling scheme is expected to complete in 2022 largely as planned. End of M22 Motorway to Castledawson Roundabout completed in 2021.

DfC is engaging with DfI on the A2 and Pennyburn roundabout and with DCSDC agreed to adopt Creggan Reservoir Management status to unlock the future regeneration potential of Fort George and other development in the designated area. Consultation on the scheme to launch in early 2022.

£75m allocated to the A5WTC by the Irish Government and further funding has been allocated to the scheme in the draft Northern Ireland Executive budget in 2022.

15km of Greenways Delivered. Strabane/Lifford, Kilfennan, Waterside phase 4 and Culmore.

OUTCOME ► WE LIVE LONG, HEALTHY AND FULFILLING LIVES

£8m Phase 1 of the Brandywell Stadium complete with new playpark.

Our publicly accessible green space in the District has provided £48m in physical health value each year and will provide £1.7bn in value to the residents between 2021 and 2032.

Over £5m capital investment in the regeneration of Melvin Sports Complex (Mutisport 3G Pitch, stadium facilities).

Achieved World Health Organisation Designation to the Healthy Cities Network.

A community based crisis intervention service has been developed and implemented.

Business cases are being prepared for a £30m+ Health and Care Hub in Strabane.

Concept designs and costings developed for new Leisure Centres at Templemore and Strabane Town Centre.

Completed the North Wing at Altnaglevin and further phases of its redevelopment programme.

Statement of Progress

OUTCOME ► WE LIVE IN A SHARED, EQUAL AND SAFE COMMUNITY

We established 8 Local Growth Partnerships and Local Growth Plans across each of our District Electoral Areas (and 1 in Strabane Town).

Our Interagency Community Support Hub for Vulnerable individuals won many Community Safety Awards.

OUTCOME ► OUR CHILDREN AND YOUNG PEOPLE HAVE THE BEST START IN LIFE

Successful delivery of Youth 19, a £1.5 million investment in activities and events for the 12-24 age group winning Best Community Planning Initiative in 2020.

We are one of the most youthful city regions in Ireland, the UK & Europe. 34% are under the age of 25.

OUTCOME ► WE HAVE A CARING SOCIETY THAT SUPPORTS PEOPLE THROUGHOUT THEIR LIVES

We have engaged with our citizens aged 50+ years to develop a new Age Friendly Strategy for the City and District and have included an additional outcome dedicated to older people in response to feedback from our stakeholders.

Feedback

We have endeavoured to take into account the views of all the people we have consulted in preparing this Plan.

Statement of Progress
Progress Update Report – February 2021

Programme Progress Report for Strategic Growth Partnership

Action Implementation Status

Action Leads

Context:

In order to progress achievement of the shared outcomes identified in the Strategic Growth Plan (Community Plan) Outcome Delivery Plans have been agreed and taken forward by community planning partners. The Outcome Delivery Plans are live and evolving documents, subject to ongoing review, and will be performance managed through the identification and monitoring of performance level measures. In order to assist in management of these plans, it has been agreed to identify a partner organisation to undertake the role of 'Action Lead' for each individual action.

Role of Action Lead:

An 'Action Lead' does not and, indeed, could not have sole responsibility for achievement of an action. Community planning actions, by their nature, will depend on the active contribution of a number of partners to ensure their successful delivery.

An Action Lead will, however, have a significant interest in ensuring the success of the related community planning action which is highly likely to be closely linked to the remit of their own organisation.

The nature of the role will, primarily, relate to co-ordinating and reporting.

Key Responsibilities:

1. Co-ordinate the contributions of identified partners to define and agree the performance accountability scorecard for each action, including agreeing performance measures and the involvement of each identified partner towards the action
2. Report to the Community Planning Partnership on progress using the identified performance measures
3. Where appropriate, ensure obligations in relation to statutory processes are undertaken, e.g., rural proofing.
4. Act as key point of contact for the Community Planning Partnership in relation to that action.
